

## حُبُّ النَّبِيِّ مِنَ الْأَهْوَاءِ يَشْفِينِي

Love of the Prophet Cures Me of My Selfish Desires

حُبُّ النَّبِيِّ مِنَ الْأَهْوَاءِ يَشْفِينِي \* إِلَيَّ الْمَعَالِي إِلَيَّ الرِّضْوَانِ يَهْدِينِي

Love of the Prophet cures me of my selfish desires \* Guiding me to Allah's pleasure, reaching the lofty heights of it and higher

حُبُّ النَّبِيِّ هُوَ الْإِيمَانُ يَصْحَبُهُ \* مَدِيحُهُ لِلَّذِي يَزِدَادُ فِي الدِّينِ

Love of the Prophet is Īmān and accompanying it \* is the Prophet's praise, the Dīn increases for those who commit

مِنْ غَيْرِهِ لَمْ نَجِدْ بَاباً يُوصِلُنَا \* إِلَيَّ إِلَهِ بِهِ يَا رَبِّ تُدْنِينِي

Without him we would not find a door for us to take \* to Allah, by him o Lord bring me near and make -

إِلَيَّ حِطَائِرٍ قُدْسٍ قَدْ مَنَنْتَ بِهَا \* عَلَيَّ الْمُحِبِّينَ إِذْ جَاءُوا عَلَيَّ حِينِ

Us arrive to enclosures of sanctity with which you have graced \* the lovers, when they arrive together at the same place

يَسِّرْ إِلَهِي إِذَا مَا رُمْتُ زُورَتَهُ \* أَشْهَدُ فَوَادِي شَمْسِ الْكَوْنِ يَسْقِينِي

Make it easy my Lord, when I want to visit him \* 'The Sun of the Universe', let my heart witness him

يَأْفُةً ظَهَرَتْ خَضْرَاءَ قَائِلَةً \* زُورُوا النَّبِيَّ بِأَشْوَاقٍ وَ تَدِينِ

O green dome that has appeared saying: \* come to visit the Prophet, with obedience and longing

لَبَّيْكَ خَضْرَاءُ قَدْ جِئْنَا لِزُورَتِهِ \* خَيْرِ النَّبِيِّينَ شَمْسِ الْكَوْنِ يَا سِينِ

We have come to visit him, labbayka o Green one! \* the best of the Prophets, Yā-sīn, the Universe's sun!

النُّورُ لَاحَ وَ فَاحَ الْمِسْكَ أَنْشَفُهُ \* طِيبُ النَّبِيِّ شِفَاءٌ لِي وَ يُرْضِينِي

The light has shined, the musk has diffused, I smell it! \* The Prophet's scent is a cure for me and ever-pleasing is it

يَا أَكْرَمَ الرُّسُلِ إِنِّي فِي ضِيَاغَتِكُمْ \* أَرْجُو رِضَاكَ فَفَرِّبْنِي وَ نَادِينِي

O most noble of messengers, I am your guest \* seeking your pleasure, so bring me close and to me express -

يَا جَعْفَرِيُّ قَبَلْنَا الْمَدْحَ أَنْتَ بِهِ \* مِنِّي قَرِيبٌ بِتَأْمِينِ وَ تَمَكِينِ

Your poems of praise we have accepted, o Ja'farī \* You are near to me, safe, and have warranted authority

إِيَّاكَ قَدْ قَدَّمْتَنِي بِضَعَةٍ شَرَفَتْ \* زَهْرَاءُ كَيْمَا تُوَالِيَنِي وَ تُدْنِيَنِي

I was presented to you by a noble part of you \* by al-Zahrā', so that you would take me in and bring me close to you

قَبِلْتَ مِنْهَا وَ هَذَا الْفَضْلُ أَسْعَدَنِي \* فِي أَزْهَرِ النُّورِ نُورٌ مِنْكَ يُحْيِيَنِي

You accepted from her and this grace made me most happy \* In the Azhar of light, where a light from you enlivens me

مِنْ جَعْفَرٍ قُلْتُ قَدْ وَافَقْتَ مُبْتَهَلًا \* هَذَا انْتِسَابٌ لِبَيْتِ الصِّدْقِ وَ الدِّينِ

I said that I come from Ja'far and you happily confirmed this \* this is kinship to the house of Dīn and truthfulness

أَلِ النَّبِيِّ كِرَامٌ يَعْلَمُونَ بِذَا \* اللَّهُ يُرْضِيهِمُ اللَّهُ يَهْدِيَنِي

The noble family of the Prophet, this they know \* may Allah be pleased with them and guide me also!

الْفَضْلُ لِلَّهِ رَبِّ الْعَرْشِ خَالِقَنَا \* تَقْضِي الْحَوَائِجَ بِالْحُسْنَى يُوَالِيَنِي

This is the favour of Allah, Lord of the Throne, our Creator \* Fulfiller of needs, by His goodness he is my supporter

أَذْكَرُ شَرِيفَيْنِ جَاءَا مِنْ مُطَهَّرَةٍ \* سِبْطًا الْحَبِيبِ لَهُمْ نُورٌ يُزَكِّيَنِي

Remember the two noble sons who come from the pure lady \* the beloved grandsons, they have a light that purifies me

أَبُوهُمَا أَسَدُ الْهَيْجَاءِ نَعْرِفُهُ \* ذَاكَ الْإِمَامُ عَلِيٌّ فِي الْمِيَادِينِ

Their father is the lion of war, we know him to be \* in the battlefields, that Imām, 'Alī

وَ السَّيْفُ يَلْمَعُ فِي يَمَانِهِ ضَرْبَتُهُ \* أَرَدَتْ يَهُودًا وَ أَرَدَتْ لِلْمَلَاعِينِ

And the strike of his sword shining in his right hand \* destroyed the evil people of Khaybar and the damned

اللَّهُ يَنْصُرُهُ وَ الدِّينَ بُعِيثُهُ \* يَهْدِي إِلَيَّ اللَّهُ بِالْقُرْآنِ وَ الدِّينِ

The Dīn is his ultimate goal and his supporter is Allah \* by the Qur'ān and the Dīn he guides to Allah

Written by the Imām of al-Azhar mosque

Sidī Shaykh Ṣāliḥ al-Ja'farī

on 7<sup>th</sup> Muharram 1395 AH
